

Paul Pernot & Fils

Profile

The wines from the Pernot family in Puligny-Montrachet are well-known throughout the world for classic Puligny and Bâtard style. They have rich concentration and fruit, but more importantly, good acidity that allow them to age gracefully and harmoniously.

Paul Pernot and his sons, Paul and Michel, produce a range of white and red Burgundies. They are the largest owner of Puligny-Montrachet 1er cru les Folatières, and their lineup includes Bourgogne Blanc, Puligny-Montrachet AC (shown here), Puligny-Montrachet les Folatières, Puligny-Montrachet les Pucelles, Bienvenue-Bâtard-Montrachet and Bâtard-Montrachet. Pernot prefers subtle oak flavors, although he has begun a new system of using more new oak for les Folatières and Bâtard-Montrachet.

These wines are limited.
