

Hubert Laferrère/ Domaine Saint-Denis

Wines

"AOC Mâcon Lugny"

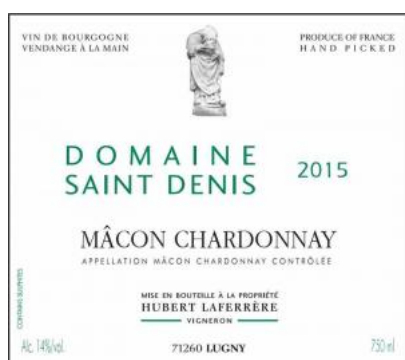

Soil: Clay and chalk

Grape: Chardonnay, all planted in the village of Lugny

Exposure: East

Yields: 45h/hl

Vinification: Soft-press, spontaneous fermentation, matured in enamel lined-tanks on the lees for 8 months. Minimal sulfur added at bottling.

"AOC Mâcon Chardonnay"

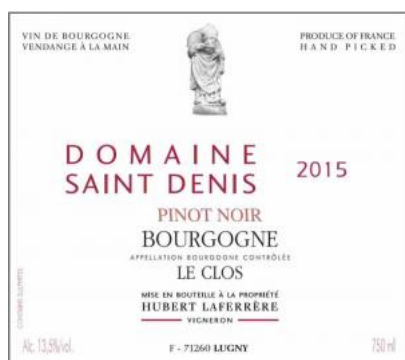

Soil: Clay and chalk

Grape: Chardonnay, all planted in the village of Chardonnay

Exposure: East

Yields: 45h/hl

Vinification: Soft-press, spontaneous fermentation, matured in enamel lined-tanks on the lees for 8 months. Minimal sulfur added at bottling.

Bourgogne Rouge "Le Clos"

Soil: Clay and chalk

Grape: Pinot Noir from the single vineyard "Le Clos" in Chardonnay

Exposure: South

Yields: 45h/hl

Vinification: short maceration with constant pump-overs, and punchdowns breaking the cap towards the end of fermentation. Aged 12 months in two to five year old barrels.
