

Domaine de Souch

Wines

Jurançon Sec:

70% Gros Manseng, 20% Petit Manseng and 10% Corbu. Vinified in stainless steel vats, with daily lees stirring and usually 3 rackings.

Jurançon Moëlleux:

50% Petit Manseng and 50% Gros Manseng. Vinified in stainless steel vats, with daily lees stirring.

Jurançon Cuvée Marie Kattelin:

100% Petit Manseng. Only partially de-stemmed fruit, direct press than vinified in barrels. 3 rackings. No fining, light filtration. This cuvée is named after Yvonne's granddaughter.

Jurançon Cuvée Joe Dressner:

A one time cuvée named in honor of the late Joe Dressner. Made from the two best barrels of the exceptional 2010 vintage of Marie Kattelin. Yvonne felt they were so good they needed to be bottled on their own, a choice she has made only a handful of times in the estate's history.
